RING OF PAKISTAN

ROP feels delighted in extending the **opportunity** for the **talented students** at your institution to become the part of an International sports event as volunteers. ROP is not only reforming the sport industry in Pakistan, but it is also proving **Pakistan** as a **peaceful** and **sports loving** nation **globally**.

ROP is holding a professional wrestling world title match during the mega event with **20+ international pro wrestlers**. Professional wrestling is the most watched sport around the globe and ROP is working hard to establish this sport in Pakistan.

OPPORTUNITY FOR STUDENTS

It is an established fact that sports play a vital role in individual and social development. ROP believes that engagement of the students is the only possible way to develop sports in Pakistan. ROP is constantly working with academic institutes to develop a long-term prosperous relation. ROP is looking forward to engage volunteers from your prestigious institute for the upcoming mega events in **December 2018**. Your support & time in this regard shall be appreciated by ROP.

VOLUNTEER EXPERIENCE OR LEADERSHIP

ROP shall give the **opportunity to the students** to get **engaged** in an **internationally recognized** activity taking place in Pakistan.

This shall be a platform for youth to witness the professional sporting activity on ground. ROP firmly believes that motivation is the tool to fuel the interest of youth in sports and healthy activities.

Dear Sir,

This is to request your support in terms of student's engagement in an upcoming international event in Pakistan. **20+** International wrestlers are visiting Pakistan in December 2018 for 2 mega events in Pakistan. This event is being supported by Pakistan's Army and recognized by Sports board of Pakistan.

ROP intends to work closely with the academic institutes in future to develop the sporting environment. We shall take this as opportunity to invite you to the mega events to witness the impact. ROP strongly believes that this event shall send a real positive message to the world that Pakistan is peaceful, sports loving nation.

Voice of youth determines the result of any such activity. ROP would like to take talented students from your prestigious institution on board as volunteers. No one can deny the energy of youth however it has to be directed towards healthier and positive point.

ROP feels blessed in playing its role and looks forward to the positive response from your end. Ring of Pakistan values your support.

Kind Regards
